

Valley Transit District and the Naugatuck Valley Council of Governments

RFP #08-18

EPA certified liquid “bi-fuel” (propane/gasoline) Propane Conversion System

The Valley Transit District and the Naugatuck Valley Council of Governments is seeking bids to provide all labor, materials and equipment for a Comprehensive Propane Conversion Package: 1) install EPA certified liquid injection “bi-fuel” (propane/gasoline) Propane Conversion Systems in fourteen (14) 2018 Ford E-450 fleet vehicles. Bidders are required to **submit with their bids**, complete documentation / technical specifications describing the proposed conversions.

The VTD will accept sealed bids for the following RFP until **4:00 P.M. on September 28, 2018**.

The complete bid packets can be downloaded at www.valleytransit.org under “public notices”

All questions regarding this RFP are to be submitted to Mark Pandolfi, Executive Director of the Valley Transit District, at 203-735-6824 or mpandolfi@valleytransit.org

All respondents are notified that disadvantaged and women owned enterprises are encouraged to submit responses to this request. The Naugatuck Valley Council of Governments will ensure that respondents to this request will not be discriminated against based on sex, race, color, creed or national origin in consideration of an award.

This project is funded, in part, by Federal funds through the Federal Transit Administration (FTA) under the 49 USC Section 5307 along with state and local funds. The Naugatuck Valley Council of Governments and the Valley Transit District retain the right to reject any or all proposals, and to withdraw this solicitation at any time.

The Naugatuck Valley Council of Governments is an equal opportunity employer.
